MD SAIF UDDIN *Full Stack Developer*

✉ saifcsediu806@gmail.com   📞 +8801827230806   in linkedin.com/in/saifuddin1992

Summary

Detail-oriented Full Stack Developer with 9+ years of experience in designing, developing, and maintaining high-performance software applications across diverse industries, including **AdTech, FinTech, Telecommunications, Logistics, and E-commerce**. Proficient in both front-end and back-end technologies, with a strong focus on performance optimization, scalability, and enhancing user experience. Demonstrated success in leading cross-functional teams, delivering innovative technical solutions, and ensuring high standards of code quality, system integrity, and security. Adept at working in fast-paced, agile environments and collaborating with stakeholders to deliver technology that drives real business value.

Technical Skills

Programming Languages
Java, Python, PHP, JavaScript, SQL

Database
MySQL, MongoDB, Redis, PostgreSQL, Elasticsearch

Version Control
Bitbucket, Github, Gitlab.

Framework
Spring Boot, Django, Flask**,** Laravel, CodeIgniter, React Js, Vue Js, Angular Js

Cloud Technologies
Amazon AWS, Digital Ocean, Google Cloud Platform.

Project Management
Click Up, Jira, Trello, Agile/Scrum Methodologies

Work Experience

06/2023 – Present
Dhaka, Bangladesh

Senior Software Engineer
Sulaco-tec (Germany)
- Developed and maintained high-performance software for **AdTech platforms**, including a click-tracking system for discounthero.org ↗ , improving revenue accuracy by **30%.**
- Automated **click approval reports**, reducing manual processing time by **20 hours.**
- Led testing and debugging efforts, ensuring **99.9% system uptime** and compliance with quality standards.

10/2019 – 05/2023
Dhaka, Bangladesh

Senior Software Specialist
Software Shop Limited (SSL Wireless)
- **Built a secure mobile recharge & bill payment system** handling **BDT 1 M+ monthly transactions** with **zero data breaches**, ensuring 100% financial integrity.
- **Developed Dialogflow/NLP chatbot** that slashed customer service response times by **40%**, significantly improving user satisfaction.
- **Led the overhaul of an E-commerce platform**, optimizing performance and UX to drive a **25% increase in user engagement** and sales conversions.
- **Automated the billing management system**, reducing manual invoicing errors by **90%** and accelerating payment processing by **50%.**
- **Redesigned the logistics software**, cutting inventory discrepancies by **30%** and improving on-time delivery rates by **20%.**

03/2018 – 09/2019
Dhaka, Bangladesh

Senior Software Engineer
ADN DigiNet (ADN Telecom Limited)
Developed a **messaging portal** handling **10K+ SMS/emails daily** with 99.5% delivery success

03/2016 – 02/2018 Dhaka, Bangladesh	**Senior Software Engineer** *Belogin Technologies Ltd.* • Built a secure pension management system for 10,000+ bank employees with 99.9% uptime. • Automated pension calculations, reduced processing time by 35%, and eliminated errors. • Developed a pharmaceutical quality control system, reducing data discrepancies by 50%.
04/2015 – 02/2018 Dhaka, Bangladesh	**Project Manager & Programmer** *AKASH TECHNOLOGY* **GPS Tracking System:** • Boosted location accuracy **20%** via real-time tracking upgrades • Cut manual work by **25%** by automating data processes • Accelerated reporting speed by **30%** with optimized dashboards

Education

Professional Master of Science (M.Sc.) in Computer Science
Jahangirnagar University

Bachelor of Science in Computer Science and Engineering
Dhaka International University

Higer Secondary Certificate
Chowmuhani Government S A College

Secondary School Certificate
Choumuhoni Madan Mohon High School

Professional Trainning

Training on JEE Programming
IBCS-PRIMAX ltd

Application Development in ASP.Net
BASIS Institute of Technology & Management (BITM)

OOP (MVC) PHP with CodeIgniter Framework
BASIS

Android Application Development
BDjobs Tanning

Strengths

• **Problem-Solving Expertise** Strong analytical skills with a proven ability to identify complex challenges, design innovative solutions, and enhance overall project outcomes.
• **Adaptability** Thrives in fast-paced, dynamic environments; quick to embrace change and maintain high performance under pressure.
• **Team Collaboration** Skilled in building and leading cross-functional teams, fostering collaboration, and driving alignment to achieve project and business goals.

Professional Skills

• Team Leadership
• Problem Solving
• Effective Communication
